

Tarot Card Correspondences

The following tables have been compiled to help with the workshops *Intro to the Tarot* and *Magickal Empowerment: How to use the Tarot in Spell Work*. There different nuances and versions of these correspondences, so you may take or leave them as you please.

Please Note: **these are not a fully fleshed out representation of the suits, cards and colors**, but they are a good starting point to work with.

* The Elemental Associations for Wands and Swords are reversed in a number of decks. The Golden Dawn associated Air with Wands and Fire with Sword; Waite reversed these two. Raven Grimassi uses wands as air and swords as fire in his traditions, explaining that he can't see associating Wands with the element that will destroy it!
